IN consequence of a resolution of the General Assembly, passed at their late session, I am instructed by the Executive to make enquiry respecting the situation of all Ordnance and Military Stores, belonging to the State (not including those in the service of the United States or of this State) and make report thereof to the Governor.

In obedience to this instruction, and as the most probable mean of effecting the object contemplated by the Executive, I have thought proper thus publicly to request of such of the citizens of the commonwealth as may have any knowledge of the situation, number, quality and size or weight of any cannon or other ordnance, and muskets; cannon balls, shells or other military stores, supposed to belong to the State, and not in immediate use, to communicate a particular report thereof to me as soon as convenient.

FOR SALE,

At public auction, by PROSSER and MONCREAF,
Seven HOUSES and LOTS

IN THE CITY OF RICHMOND.
ONE house and lot between the Bank and barracks, 50 by 20 feet, with 9 rooms, a complete cellar the size of the house—one story of stone, one of brick and two of wood—a smoke-house, dairy, a two story kitchen, fowl house, and necessary, all built of brick during the last fall—a stable for eighteen horses, built of wood. The lot is walled in with brick, with palings of the best materials on the wall. This stand is inferior to none in the city of Richmond as a boarding house, public house, or for a private family. Lived in the house for 3 years, and during the assembly was crowded with company. The above desirable house will be sold on Wednesday the 20th of August, at twelve o'clock—one fourth of the purchase money in 60 days, one fourth in 120 days, for negotiable notes in the bank of Virginia well indorsed, the balance in three annual payments, with a deed of trust on the property to secure the payments; possession given immediately. At the same time and place, will be sold, about twelve or fifteen hundred dollars worth of FURNITURE, at 60 days, for negotiable notes well endorsed.

The other six houses are on the hill, near Dr. Greenhow's and Mr. Niles's property. There is a two story brick house 42 by 20 feet, completely finished. One other house 32 by 18 feet, built of wood. Four other houses 16 by 18 feet, with good brick chimneys, all of which will be in complete order by the day of sale, and well painted; the lot to every house is well inclosed with palings; necessaries to every house, and handsome gardening spots. These houses will be sold, on the tenth day of September next; the sale will take place at twelve o'clock—one fourth of the purchase money in 90 days, with negotiable notes in the bank of Virginia, one fourth the first of June next, and the balance in one, two and three years, with a deed of trust on the property to secure the payments. Any bonds, notes or accounts which I justly owe, that are now due, will be received in either payment—any that are not due, will be received in either of the payments nearest the time of their becoming due, if presented on the day of sale. My principal reason for selling the above property is, I have purchased an estate in the lower country and intend moving to it at Christmas next; all claims against me I hope will shortly be made known, that I may settle them to the wish of my creditors, and all those indebted to me, I trust, will without delay, come forward and pay off what is due me, as I feel a desire to close accounts with every person as speedily as possible.
